Hello Sameer Sir,

Thank you for your patience.

Kindly find the commercials, for 500 GB created on the Server IP: 10.9.204.163 is INR 6550 /month + taxes.

Additionally, as requested, please find below the commercials for the increased IOPS:

10.9.204.163: Current IOPS: 4,273 across 3 disks. Required increase to 15,000 total.  
10.9.204.162: Current IOPS: 1,100 across 2 disks. Required increase to 10,000 total.

The additional IOPS required amount to 19,627, with the commercials being INR 19,823/month + taxes.

Kindly approve the commercials for the both the resources so that we can proceed accordingly.

Awaiting for your response.

Feel free to contact us if you have any further queries. We would be glad to assist you.

Hello Rohit,

New drive of 500GB will be required permanently as our application team has moved SQL temp db file and creating daily auto backup in this drive.

Please provide the associated commercials for the same.

Thanks & Regards,

Sameer Dhivan.

Hello Sameer Sir,

Thank you for your patience.

As checked we have created a new Drive on server (10.9.204.163) of 500 GB for testing purpose.

Please confirm if you would like to retain this drive permanently, so we can provide the associated commercials for it.

Additionally, as requested, please find below the commercials for the increased IOPS:

10.9.204.163: Current IOPS: 4,273 across 3 disks. Required increase to 15,000 total.

10.9.204.162: Current IOPS: 1,100 across 2 disks. Required increase to 10,000 total.

The additional IOPS required amount to 19,627, with the commercials being INR 19,823/month + taxes.

Kindly approve the commercials so that we can proceed accordingly.

Awaiting for your response.

Feel free to contact us if you have any further queries. We would be glad to assist you.
